

To: _____ {office holder}

Dear Sir/Madame;

Re: The Southwest Invasion. (Oh yes; that invasion...)

[initial] Please Bypass the media (do not suggest panic). State the fact of Invasion. Please Utilize the Emergency Broadcast network daily to drive the point home. Daily at the least! -No More B.S.

[initial] I hereby request/permit you to call out the National Guard. And to set up mobile Social Security Access for Fake I.D. detection.

[initial] Recycle our taxes into financial stimulus by employing Us! Tax derived wages should go to Vets and Birth Citizens first/always. (Most American citizens were born here.) Will you lose popularity by employing Natural Americans first? (-suck it up)

[initial] English only. Refuse all language mandates. I support a tax deduction for Birth Citizens to offset the support costs of Immigrants.

[initial] Male guest workers can't get pregnant. Our medical facilities are chewing on pediatric/gynecological costs; pricing U.S. women, their children out of health care. Capiche!! End work Visas for unskilled females.

[initial] **2 for 1 Jobs:** More Border Patrol Agents. If: every week 1 average agent prevents 1 Illegal from working for 1 week+. That creates a "job vacuum." An American worker is "sucked into it". 2 Americans get employed. Taxes only pay for 1. Thus 2 for 1.

[initial] My write in _____

And thank you once again for agreeing to be employed by countless American Citizens like myself. Good Day.
